- Did you know there was a bank robbery in Tustin which resulted in a shoot-out on Main Street?
- Which house may be inhabited by a cigar-smoking ghost?
- What about the preacher's son who hid out in the attic of a moving house?

Our unique City of Tustin has a wealth of interesting history and architectural heritage still preserved in the Historic District of Old Town Tustin.

The Tustin Preservation Conservancy invites you to enjoy a one-hour bus tour through history, guided by a local docent from the Conservancy.

Tickets are **FREE** and can be picked up at the
Tustin Area Historical Museum
prior to the tour at 395 El Camino Real.
