Dear Property Owner/Manager:

In its continuing efforts to maintain the community's positive image, the City of Tustin recently initiated a citywide graffiti removal program. This program will provide graffiti removal services at no charge to the property owner.

In order to have graffiti removed from your property, the City is required to obtain owner consent through use of the form on the reverse side of this page. The City requests that you complete and return this form even if your property is currently free of graffiti. By having the completed form on file, the City will be able to more efficiently and effectively respond to future requests for graffiti removal services.

To report existing graffiti on private property, call the City's Graffiti Hotline at (714) 573-3111. If the graffiti is in the public right-of-way, however, contact the Public Works Department at (714) 573-3350.

If you desire to be a part of the graffiti removal program, complete the consent form and mail or deliver it to the City of Tustin Community Development Department at your earliest convenience. **Note that this form must be signed by the property owner or his/her designee.** Should you have any questions, please dial (714) 573-3134. The City of Tustin hopes that community involvement will make Tustin graffiti-free.

Respectfully,

CITY OF TUSTIN
