Pickleball Camp

3 days \$105.00

Pickleball is one of the fastest growing sports in America. It is a lot of fun, kids will be playing the first day even if they have never played before. It is easy to learn. Pickleball is a cross between ping pong and tennis, played in a smaller tennis court with a net and lines like a tennis court but played with a paddle and a wiffle ball. For more information about Pickleball, visit www.usapa.org.
