The City of Tustin Parks and Recreation Department is hosting its annual Resource Fair and Flu Shot Clinic on Friday, November 3, 2017, from 9:00 am to 12:00 pm at the Tustin Area Senior Center located at 200 South "C" Street, Tustin. The Resource Fair and Flu Shot Clinic is open to the public and free of charge.

This indoor event will feature over 30 vendors and non-profit organizations providing an array of health services, screenings, and community resources. The event sponsor, St. Joseph Health, will administer free flu shots. Local dental offices will provide oral exams, distribute hygiene products, discuss dental care with patrons, pass out information on insurance options (including Medicare), and discuss out of pocket expenses.

Space is still available for those interested in participating as a vendor. Vendor applications, along with payment, are due no later than Monday, October 23, 2017. Applications can be found at <http://www.tustinca.org/depts/parks/tasc/default.asp>.
