The City of Tustin is offering residents free, fill-your-own sandbags to residents in order to help protect personal property from rain and mud. The sandbags can be filled and picked up at the City of Tustin Maintenance Facility located at 1472 Service Road off of Red Hill Avenue.

Sandbags, shovels and sand are in place for filling. Each bag, when properly filled, weighs approximately 30 lbs. and most passenger cars can handle between 10-15 bags. Residents may be asked to provide their driver's license displaying a Tustin address.

For more information about the City's sandbag program, please call the Public Works Department at (714) 573-3350.
