

# **Your Rights under Title VI of the Civil Rights Act of 1964**

## **Tustin Area Senior Center (TASC) Transportation Program**

Title VI of the Civil Rights Act of 1964 requires no person in the United States, on the ground of race, color, or national origin, be excluded from participation in, be denied benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. Presidential Order 12898 addresses environmental justice in minority and low-income populations. Presidential Order 13166 addresses services to those individuals with limited English proficiency.

For the TASC Transportation Program, any person who believes that they have been excluded from, denied the benefits of, or been subjected to discrimination may file a written complaint with the City of Tustin Parks and Recreation Department. Federal and State law requires complaints be filed within one-hundred eighty (180) calendar days of the last alleged incident.

For additional information of the TASC Transportation Program's nondiscrimination obligations or to file a Title VI Complaint, please submit your request to the City of Tustin, Parks and Recreation Department using the information below:
