TUSTIN, CA.– The City of Tustin Parks and Recreation Department is hosting a follow-up Skateboard Plaza Park Design Forum on Monday, April 20, at 5:00 pm in the Tustin Council Chambers located at 300 Centennial Way. The workshop will give skate enthusiasts the opportunity to provide additional input on the design of the proposed skateboard plaza to be constructed at the future Veterans Sports Park at Tustin Legacy later this summer.

At the initial design forum held on Monday, April 6, the Parks and Recreation Department received valuable input from the attendees regarding design options for the 13,000 square foot skate plaza. The preferred design will be presented and discussed at this follow-up meeting.

Veterans Sports Park at Tustin Legacy will be located on Valencia Avenue and Lansdowne Road. Construction is estimated to begin in late summer. For more information, please call the Tustin Parks and Recreation Department at (714) 573-3326.
