TUSTIN, CA.– The City of Tustin Parks and Recreation Department is hosting a Skateboard Plaza Park Design Forum on Monday, April 6, at 5:00 pm in the Tustin Council Chambers located at 300 Centennial Way. The workshop will give skate enthusiasts an opportunity to provide input on the design of the proposed skateboard plaza to be constructed at the future Veterans Sports Park at Tustin Legacy later this summer.

The future 31.5 acre Veterans Sports Park at Tustin Legacy will be located at Valencia Avenue and Lansdowne Road. Construction is scheduled to begin after a late summer ground breaking. The park will include a 13,000-square-foot skateboard plaza which will include fixed amenities and obstacles for the skaters. This will be the first of two scheduled workshops. For more information, please call the Tustin Parks and Recreation Department at (714) 573-3326.
