### 🍊 A Veteran with Deep Roots

**Matthew Nisson** served briefly in World War II, but his story is deeply rooted in Orange County soil. Matt was a descendant of Tustin ranchers much like his father, and grandfather before him, and carried on his family's agricultural legacy through a well-known orchard in Tustin, still operating today at the northeast corner of Walnut Avenue and Red Hill Avenue! The 1960's black and white aerial photo to the right shows the original fruit stand and house towards the center of the photo surrounded by groves; the colored aerial photo shows how the land and surrounding area appear today.
