# MAYORS Welcome

On behalf of the City of Tustin, I am pleased to welcome you and your family to the 41st Annual Tustin Street Fair and Chili Cook-Off. We take great pride in hosting this cherished community event, bringing together families, service clubs, local businesses, and delicious chili! Each year, the Tustin Street Fair and Chili Cook-Off Committee selects non-profit organizations to receive proceeds from the event. For 2025, the Committee has chosen Tustin

Youth Baseball Association/Tustin Pony Baseball and Tustin Community Preschool as the designated beneficiaries.

The Tustin Youth Baseball Association (TYBA)/Tustin Pony Baseball has supported local youth for over 40 years by providing accessible, inclusive opportunities to play baseball and build community. The league fosters personal development, confidence, and sportsmanship while addressing barriers such as cost, transportation, and limited recreational options. Through teamwork and a commitment to positive youth experiences, TYBA helps shape the next generation of leaders both on and off the field.

Tustin Community Preschool (TCP) is a nonprofit, parent-participation preschool that offers a play-based, developmental approach to early childhood education. Through hands-on learning, creative exploration, and strong family involvement, TCP nurtures the whole child—mind, body, and spirit—while building a supportive community of parents and caregivers. More than just a school, TCP empowers families to take an active role in their children's early education, creating lasting connections and lifelong learning opportunities.

Congratulations to both organizations on being chosen as the 2025 beneficiaries of proceeds from the 41st Annual Tustin Street Fair and Chili Cook-Off.

I hope you enjoy your time here in historic Old Town. On behalf of the Tustin City Council and the dedicated Tustin Street Fair and Chili Cook-Off Committee, we thank you for being part of the world's largest one-day Chili Cook-Off.

-Mayor Austin Lumbard
