MEETING DATE: JUNE 17, 2025

TO: ALDO E. SCHINDLER, CITY MANAGER

FROM: JENNIFER KING, FINANCE DIRECTOR/CITY TREASURER

SUBJECT: ADOPTION OF A RESOLUTION UPDATING THE COMPREHENSIVE FEE SCHEDULE

## SUMMARY:

A Comprehensive User Fee Study determines the cost of providing governmental services and ensures that user fees and charges do not exceed the costs of providing these services. Per City Council Resolution No. 21-54, the City's Finance Director is to annually review and recommend to the City Council adjustments to fees set forth in the Comprehensive Fee Schedule in accordance with the Consumer Price Index (CPI). If approved by the City Council, fee adjustments will take effect on September 1, 2025.

## RECOMMENDATION:

1. Conduct a public hearing on the proposed adoption of an update to the City's Comprehensive Fee Schedule; and,
2. Adopt Resolution No. 25-50, Establishing and Adopting Updated Development Processing Fees and Other City Rates, Charges, and User Fees for Various Government Services.

## FISCAL IMPACT:

The annual CPI change from February 2024 to February 2025 was 3.11%. Staff projects a \$55,000 increase in General Fund revenues associated with this CPI change to the Comprehensive Schedule of Fees.

## CORRELATION TO THE STRATEGIC PLAN:

The recommendation correlates to the City's strategic plan by implementing Goal C, strategy #3a, conducting a comprehensive fee analysis, and determining appropriate levels of cost recovery.

**DISCUSSION:**

The City charges a range of fees for services provided to residents and businesses and for access to public property. Examples of fees include building permits, encroachment permits, plan check fees, recreation classes, and facility rentals.

For the 2025 annual user fee review, the City retained Willdan Financial Services to update the Comprehensive Fee Schedule based on changes to the Consumer Price Index (CPI) reported for February of the corresponding year for the Los Angeles-Long Beach-Anaheim area for all Urban Consumers. The annual CPI change from February 2024 to February 2025 was 3.11%. Staff projects a \$55,000 increase in General Fund revenues associated with this CPI change to the Comprehensive Schedule of Fees. No new fees are recommended in the 2025 annual update. A list of the adjusted fees is presented in an exhibit to Attachment 1 of this report. The updated 2025 fully burdened hourly rate schedule (Attachment 2) is also included with this report.

California Government Code Section 66016 requires a public hearing be held prior to approving an increase in development processing fees. Tonight's public hearing was noticed on June 5, 2025. The City Clerk's Office has already noticed interested parties. The fees and charges adjusted by CPI are attached hereto as Exhibit "A" to Resolution No. 25-50. If approved, the adjusted fees and charges will take effect on September 1, 2025 and be incorporated into the existing Comprehensive Fee Schedule.

The City's last complete review of the comprehensive user fee schedule was conducted in May 2021, and the related user fee schedule was approved by the City Council in July 2021. As required by City Council Resolution No. 21-54, staff conducted annual reviews of user fees and recommended adjustments for the City Council's approvals in June 2022, June 2023, and June 2024. City Council Resolution No. 21-54 also directs the City Manager to submit an updated comprehensive user fee study and report to the City Council at least every five (5) years consistent with the industry's best practices. Accordingly, a complete review of service costs and fees is planned to begin this summer with results and recommendations for the City Council to consider this fall.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF TUSTIN, CALIFORNIA, ESTABLISHING AND ADOPTING UPDATED DEVELOPMENT PROCESSING FEES AND OTHER CITY RATES, CHARGES, AND USER FEES FOR VARIOUS GOVERNMENT SERVICES

The City Council of the City of Tustin, California, hereby finds, determines, declares, and resolves as follows:

WHEREAS, pursuant to the provisions of the California Constitution and the laws of the State of California, the City of Tustin is authorized to adopt and implement fees, rates, and charges for municipal services; provided that such fees, rates, and charges do not exceed the estimated reasonable cost of providing such services; and

WHEREAS, in 2020 the City retained Willdan Financial Services to review and conduct an independent, detailed analysis of City Services, the cost reasonably borne by providing those services, the beneficiaries of those services, and the revenues produced by those paying fees for those services, and to prepare a study and report setting forth the specific amount of user fees, rates, and charges; and

WHEREAS, Willdan Financial Services prepared the study and report, listing the applicable direct and indirect costs for certain services provided by the City, describing the reasonable relationship between fees, rates, and charges and the services provided by the City, and setting forth the time and method for the payment of the fees, rates, and charges, which is identified as the "Comprehensive User Fee Study Report", dated May 24, 2021, copies of which are on file in the City Clerk's office; and

WHEREAS, on July 20, 2021, the City Council adopted Resolution No. 21-54, which approved and adopted the processing fees and other user rates, charges, and fees identified in the Comprehensive User Fee Study Report and set forth in the Comprehensive Fee Schedule; and

WHEREAS, in 2025 the City retained Willdan Financial Services to update the 2024 Comprehensive Fee Schedule based on changes to the Consumer Price Index (CPI) reported in the month of February for the corresponding year for the Los Angeles-Long Beach-Anaheim area for all Urban Consumers; and

WHEREAS, the City desires to approve increases to existing processing fees and other user fees, rates, and charges for various governmental services in accordance with the CPI reported in the month of February for the corresponding year for the Los Angeles-Long Beach-Anaheim area for all Urban Consumers; and

WHEREAS, the annual change from February 2024 to February 2025 in the Consumer Price Index (CPI) for the Los Angeles-Long Beach-Anaheim area was 3.11%; and

WHEREAS, pursuant to Government Code Section 66014, 66017, and 66018, the specific user fees to be charged for certain services must be adopted by Resolution, following notice and Public Hearing; and

WHEREAS, a notice of Public Hearing has been given pursuant to Government Code Section 6062a, oral and written presentations have been made and received, and the required Public Hearing has been held; and

WHEREAS, all legal prerequisites to the adoption of this Resolution have occurred.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF TUSTIN, CALIFORNIA, DOES RESOLVE AS FOLLOWS:

SECTION 1. Adoption and Incorporation of Recitals. The recitals set forth above are true and correct and are incorporated by reference herein.

SECTION 2. Adoption of User Fees. The City Council hereby approves and adopts the 2025 fees set forth in the Proposed Fee Schedule Update, which is attached hereto as Exhibit "A" and incorporated herein by reference; the City Council finds that the user fees and charges established therein do not exceed the estimated reasonable cost of providing the service for which the fee is levied.

SECTION 3. Waiver and Reduction of Fees. The City Council hereby authorizes the City Manager, at his/her discretion, to waive or reduce the processing fees and other user rates, charges, and fees set forth in the Comprehensive Fee Schedule on a case-by-case basis provided the City Manager commits to writing the reason(s) why any such waiver or reduction provides a public benefit including, but not limited to, the promotion of public health, safety, and welfare.

SECTION 4. Effective Date. The user fees and charges established pursuant to this Resolution shall take effect, and shall be incorporated into the Comprehensive Fee Schedule, on September 1, 2025.

SECTION 5. Annual Update. The City Council hereby authorizes and directs the City's Finance Director to annually review and, as appropriate, recommend to the City Council approval of an increase of the fees set forth in the Comprehensive Fee Schedule in accordance with the Consumer Price Index (CPI) reported in the month of February/March for the corresponding year for the Los Angeles-Long Beach-Anaheim area for all Urban Consumers.

SECTION 6. Environmental Exemption. The adoption of this Resolution is exempt from the California Environmental Quality Act ("CEQA") pursuant to Section 15273 of CEQA Guidelines and Section 21080(b)(8) of the Public Resources Code; and in accordance with such determination, City staff is hereby directed to file a Notice of Exemption upon adoption of this Resolution.

SECTION 7. Severability. If any user fee, rate, or charge adopted or increased by this Resolution is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such fee, rate, or charge shall be deemed a separate, distinct, and independent provision of this Resolution, and such holding shall not affect the validity of the remaining user fees, rate, and charges adopted or revised herein. The City Council hereby declares that it would have adopted the Resolution and each section, subsection, subdivision, sentence, clause, phrase, or portion thereof, irrespective of the fact that any or more sections, subsections, subdivisions, sentences, clauses, phrases, or portions thereof be declared invalid or unconstitutional.
