### City Council & Planning Commission Recap:

- **Community Development Mid-Year Review:** On July 22, staff presented the 2025 Mid-Year Review to the Planning Commission. This presentation is making its debut as an interactive GIS storymap, a visually engaging, map-based format that lets viewers explore project locations, status updates, and photos at a glance. The presentation summarizes the progress of major planning and building projects underway as of July 2025, offering insight into the City's development activity and priorities for the second half of the year. ### Other Department Highlights:

- **GameCraft Frontier:** Now Pouring in Old Town Tustin! At the corner of El Camino Real & 6th Street, GameCraft Brewing has launched GameCraft Frontier, a breezy, outdoor pop-up beer garden complete with a rotating roster of food trucks, live music, and refreshing craft brews. Even better, GameCraft has a partnership with the Tustin Community Foundation so that every pint you enjoy supports local causes.
