- E. Overtime paid per the requirements of the FLSA (when an employee actually works in excess of 171 hours in the 28-day FLSA work period) includes base pay plus any additional forms of pay which are provided to employees and required to be included in the FLSA regular rate (i.e., overtime rate).

Article 10. Uniform Allowance

Employees will be paid a uniform allowance of \$429 per year, paid biweekly (\$16.50 per pay period for 26 pay periods per year) for the purchase, rental and/or maintenance of the required uniforms. The parties agree that for "classic members" as defined by the Public Employees' Pension Reform Act of 2013, this is special compensation and shall be reported as such, to the extent legally permissible,

pursuant to Title 2 CCR, Section 571(a)(5) as Uniform Allowance. Special motor officer gear and officer public safety leather/nylon gear required by the department will be provided.

Article 11. Bilingual Pay

Employees in the classification of Police Officer who successfully pass the City's examination for conversational skill in a language other than English (which the Director of Human Resources has approved as being needed for City business) are eligible to receive \$250 per month (\$115.38 per pay period) as a Bilingual Pay incentive. The parties agree that this is special compensation and shall be reported as such, to the extent legally permissible, pursuant to Title 2 CCR, Section 571(a)(4) and 571.1(b)(3) as Bilingual Premium. Individuals are eligible to receive Bilingual Pay at the beginning of the first pay period after Human Resources receives the employee's test score demonstrating conversational proficiency. Should a conflict arise regarding designation of an employee for compensation, proficiency and/or need, the Director of Human Resources shall determine who is eligible. The City is responsible for the development and administration of a testing vehicle to determine proficiency. In addition, Management will determine where within its discretion bilingual proficiency is necessary in a particular work area and if so will compensate for it.

Article 12. Educational Incentive Pay

- A. The City shall provide Educational Incentive Pay as an incentive for employees in the classification of Police Officer to improve their level of education in relevant fields beyond the expected level for their position.
- B. Educational Incentive Pay begins the first pay period after Human Resources receives and certifies the employee has met all of the eligibility requirements.

- E. Employees currently receiving Educational Incentive Pay for an equivalent to an Associate's degree shall be grandfathered and shall continue to receive whatever compensation is provided to employees with an Associate's degree.

Article 13. Standby Duty

- A. Unit employees shall be compensated for Standby Duty (except for court appearances) at the rate of two (2) hours of straight time for each eight (8) hours required, including Holidays. - B. Standby Duty for scheduled court appearances on behalf of the City shall be compensated at a rate of two (2) hours of straight time for morning (a.m. hours) appearances and two (2) hours of straight time for afternoon (p.m. hours) appearances. If a scheduled Standby for court appearances is canceled and the employee is not advised (either via phone call, voicemail or text message) of the cancellation before 6:00 p.m. on the day prior to the subpoena date, the employee shall receive two (2) hours of Standby Pay. A reasonable effort by the City (e.g., phone call or voicemail) to notify the employee prior to 6:00 p.m. on the day prior will negate the two (2) hours of Standby Pay. Employees who are scheduled for Standby Duty shall advise the department of a telephone number where they can be either reached or a message can be left to advise them of a cancellation.

Article 14. Call-Back Duty

In addition to Standby Pay, if any, employees shall receive a minimum of two (2) hours of overtime compensation paid at a time and one-half (1 ½) rate for any call (fifteen (15) or more minutes beyond the end of their shift) which required them to return to duty.

Article 15. Court Pay

- A. An employee shall be paid at a rate of time and one-half (1 ½) for actual time spent in City-required court appearances that occur during the employee's off-duty hours. A minimum of two (2) hours of Court Pay will be provided for court appearances scheduled in the morning (8:00 a.m. – 12:00 p.m.) and/or a minimum of two (2) hours of such compensation for court appearances scheduled in the afternoon (12:00 p.m. – 5:00 p.m.).
- B. Employees receiving Court Pay do not also receive Standby compensation for court appearances for the same time period.

Article 16. Special Assignments

- A. The Police Chief has sole discretion to determine who shall receive a special assignment. Employees assigned to the following special assignments (or successor titles) listed below shall receive, in addition to their regular compensation, premium pay in the amount of two and one-half percent (2.5%) of base salary for performing in such special assignments; provided, however, that at no time may an employee receive more than one (1) special assignment pay premium. 3. Field Training Officer (Training Premium)

4. Gang Reduction and Directed Enforcement (GRADE) Unit Officer (Gang Detail Assignment Premium)

 6. K-9 Officer (Canine Officer/Animal Premium)
 7. Motorcycle Patrol Officer (Motorcycle Patrol Premium)
 8. Professional Standards Personnel Officer (Police Administrative Officer)
 9. School Resource Officer (Police Liaison Premium)
- B. The City has the absolute discretion regarding the assignment and reassignment of employees to special assignments. Any such assignment is not vested and may be revoked at any time and any appeal required by Section 3304(b) of the California Government Code shall be governed by Article 37 of this MOU (Rules of Evidence and Procedure for Employees Removed from Special Assignments).

When an employee reaches the expiration date of a special assignment term, as specified in the Police Department's General Orders, the employee does not have the right to appeal the Police Chief's decision to not renew or extend the employee's term in that special assignment.

- C. Each employee performing the assignment of Motor Officer or K-9 Officer will receive one (1) paid day off per month (10 hours) which is considered compensation for hours worked under the FLSA for the time spent (as an officer-dog handler or officer motor-handler) at their residence in caring for the dog/equipment during regular days off and during vacation or sick leave.

The parties acknowledge that the FLSA, which governs the entitlement to compensation for canine duties, entitles the parties to agree to a reasonable number of hours per month for the performance of off duty canine duties. The hours derived at in this agreement were determined after an actual inquiry of the Officers assigned in the canine special assignment as addressed by *Leever v. City of Carson City*, 360 F.3d 1014 (9th Cir. 2004). It is the intent of the parties through the provisions of this section to fully comply with the requirements of the FLSA. In addition, both parties believe that this section of the MOU does comply with the requirements of the FLSA.

The City and Officers understand and agree that this additional compensation is intended to compensate canine/motor officers for all off duty hours spent caring, grooming, feeding and otherwise maintaining their assigned canine or maintaining their assigned motorcycle, in compliance with the FLSA and interpretive cases and rulings. Unless otherwise authorized by a supervisor, employees in these assignments must limit their off-duty hours to a maximum of ten (10) hours per month because they are only being paid for 10 hours per month.

Article 17. Shift Differential Pay

Employees who are regularly assigned to the graveyard shift (shift begins at 6:00 p.m. and ends at 6:30 a.m. the following day) or to a shift where all hours worked falls between the hours of 6:00 p.m. – 6:30 a.m. shall receive Shift Differential Pay. In addition, employees who are assigned to the GRADE unit shall receive shift differential pay in recognition of their variable shift schedule. The parties agree that this is special compensation and shall be reported as such, to the extent legally permissible, pursuant to Title 2 CCR, Section 571(a)(4) and 571.1(b)(3) as Shift Differential. This differential is designed to

compensate the employee for the inconvenience of working this particular shift. Unit employees receiving this differential are paid \$23.08 per pay period.

CHAPTER 3 – BENEFITS

Article 18. Flexible Benefits Plan

A. The City contracts with the California Public Employees’ Retirement System (CalPERS) for the provision of medical insurance. This amount includes the minimum contribution towards retiree medical insurance required under the PEMHCA program (\$133 for calendar year 2018, and a yet to be determined amount for subsequent calendar years).
- B. A unit employee hired by the City prior to July 1, 2011 is eligible for this benefit provided that he/she has been continuously employed by the City for five (5) full years, retires from the City and CalPERS, and enrolls in a CalPERS medical insurance plan immediately after retirement. Eligible employees, who suffer a disability, are unable to return to work, and take a disability retirement from CalPERS may satisfy the five (5) year continuous service requirement using a combination of service with the City and service with any public agency with a reciprocal retirement system.
- C. A unit employee hired by the City on or after July 1, 2011 is eligible for this benefit provided that he/she has been continuously employed by the City for ten (10) full years, retires from the City and

CalPERS, and enrolls in a CalPERS medical insurance plan immediately after retirement. Eligible employees, who suffer a disability, are unable to return to work, and take a disability retirement from CalPERS may satisfy the ten (10) year continuous service requirement using a combination of service with the City and service with any public agency with a reciprocal retirement system.

- D. Reimbursement shall not be made until an employee appears on the City’s CalPERS insurance billing. In order to maintain the retiree medical insurance stipend throughout retirement, an employee must maintain coverage in a CalPERS medical insurance plan; once coverage is dropped, reimbursement will cease and will not be reinstated.

Article 26. Retiree Health Savings Plan

Effective January 1, 2019 employees in the unit will have the option to make a payroll deduction and contribute to a retiree health savings plan which will be set up by the City. Contributions are voluntary by employees and the City will not make a contribution to the plan.

CHAPTER 4 – LEAVES OF ABSENCE

Article 27. General Leave

- A. Paid General Leave shall be granted to each full-time employee at the rates listed below per year, prorated on a biweekly basis for each biweekly pay period in which the employee is in paid status for at least 40 hours of the pay period. If the employee is in paid status between 40-80 hours of a pay period, his/her General Leave will be earned on a prorated basis for the pay period.

Periods of Service	General Leave Hours Per Year	Maximum Accrual
0-5 years	160 hours	320 hours
6-10 years	208 hours	416 hours
Over 10 years	248 hours	496 hours

- B. General Leave Cash Out:

Employees in the unit are permitted to cash out General Leave as follows:

- 1. Until December 7, 2018:

Each employee may request that he/she be paid for a maximum of forty (40) hours of accrued General Leave.

In addition, each employee may request that he/she be paid for accrued General Leave based on years of service as follows:

0-5 years	40 additional hours per year
6-10 years	50 additional hours per year
Over 10 years	60 additional hours per year

Requests for cash out must be received no later than two weeks prior to the paycheck date when the cash out is requested.

2. After December 7, 2018 and for Each Year Thereafter:

Starting in 2018 (for payment in 2019), on or before the pay period which includes December 15 of each calendar year, an employee may make an irrevocable election to cash out up the following amount of General Leave which will be earned in the following calendar year at the employee's base rate of pay:

- a. Up to forty (40) hours of accrued General Leave; and
- b. Up to an additional amount of accrued General Leave based on years of service as follows:

0-5 years	40 additional hours per year
6-10 years	50 additional hours per year
Over 10 years	60 additional hours per year

The employee can request that the cash out (of both 2 a and b above) be processed on any paycheck beginning July 1 of the following calendar year through the end of that calendar year, as long as the employee has accrued the number of hours they elected to cash out during the calendar year of the cash out. However, if the employee's General Leave balance is less than the amount the employee elected to cash out (in the prior calendar year) the employee will receive cash for the amount of leave the employee has accrued at the time of the cash out. The employee may request to be paid all at once or choose to be paid on two different paychecks.

- C. Each employee is responsible for managing his/her General Leave bank. Employees wishing to stay below the General Leave cap are encouraged to regularly monitor their leave accrual balances that are provided on each biweekly paycheck, provide the department with as much advance notice as possible when requesting to use General Leave for time off, be flexible when requesting to take time off during periods of heavy usage or staffing shortages, and take advantage of the General Leave cash out program.

The department will not unreasonably deny an employee's request to use General Leave. Supervisors will be fair and reasonable in reviewing employee requests to use General Leave and will balance the wishes of the employee with the operational and safety needs of the department and the efficient use of the City's resources.

If an employee requests to take time off using General Leave and has not fully used the General Leave cash out program, the fact that an employee is at his/her General Leave accrual cap shall not be cause for the department to automatically grant the employee's request to use General Leave.

- D. Upon reaching the maximum, accrual will cease until leave is used to reduce the accrual below the maximum. Should an employee request to use General Leave in accordance with department procedures and be denied the use of leave which will result in the employee reaching his/her maximum accrual cap, the Director of Human Resources will be notified to facilitate an agreeable remedy for both parties.

- E. Upon separation from the City service the employee will be paid for unused General Leave, at the employee's then current base salary rate.
- F. The use of General Leave must be approved by the department head and due regard shall be given to the employee's preference in scheduling such paid leave time.
- G. Advanced General Leave is available under the following provisions:
 1. A unit member requests a leave of absence for a "serious health condition" as that term is defined under the FMLA/CFRA for him or herself, a child, parent, spouse or registered domestic partner; and
 2. At the time of the leave, the employee has a minimum of eighty (80) hours of General Leave accrued; and
 3. The employee exhausts his/her General Leave accrual; then
 4. Upon request of the employee, the City will grant an advance of one-hundred twenty (120) hours of General Leave for use in conjunction with the serious health condition (as defined above).

The Advanced General Leave must be repaid to the City once an employee returns to work. Advanced General Leave will be repaid by transferring newly accrued General Leave back to the City until full repayment of the leave has been returned. However, should an employee request and receive Catastrophic Leave donations, the City will have any advanced hours returned from the catastrophic leave donation bank to the City prior to providing the employee use of the donated hours.

Article 28. Compensatory Time Off

- A. In lieu of receiving cash payment for overtime, employees may elect the option of accruing Compensatory Time Off at the rate of time and one-half (1½), subject to a maximum accrual of sixty (60) hours.
- B. Employees will be paid for all Compensatory Time Off in January of each year provided that an employee may retain a maximum of forty (40) hours in his/her account if notice of such desired retention is submitted to the City.
- C. The time during which an employee may take Compensatory Time Off shall be subject to approval by the Police Chief or designee with due regard for the wishes of the employee and for needs of the service. However, an employee wishing to use his/her accrued Compensatory Time Off shall provide the City with reasonable notice of such request. Reasonable notice is defined as two calendar weeks. If reasonable notice is provided, the employee's request will not be denied unless it would be unduly disruptive to the department to grant the request. A request to use Compensatory Time Off without reasonable notice may still be granted within the discretion of the supervisor or manager responsible for considering the request.
- D. When an employee separates from City service or remains employed by the City, but moves to a position no longer represented by TPOA, an employee shall be compensated for all accrued Compensatory Time Off at his/her regular rate of pay.

Article 29. Holidays

A. The following Holidays are observed by the City:

January 1	New Year's Day
Third Monday In January	Martin Luther King Jr. Day
Third Monday in February	Presidents' Day
Last Monday in May	Memorial Day
July 4	Independence Day
First Monday in September	Labor Day
November 11	Veterans Day
Thanksgiving Day	Thanksgiving Day
Day following Thanksgiving Day	Day after Thanksgiving Day
December 24	Christmas Eve
December 25	Christmas Day
December 31	New Year's Eve

- B. Except as otherwise provided, when a Holiday occurs on a Sunday, the following Monday will be observed instead and when a Holiday occurs on a Saturday, the preceding Friday will be observed instead.
- C. For the designated Holidays, employees are eligible for nine (9) hours of paid time off for each full day. Unless operational needs, as determined by the Police Chief, require that the time off be taken at some other date, the time off will be taken on the scheduled Holiday. If the Holiday hours paid on a Holiday or substituted day off are less than the employee's regularly scheduled hours the employee may use accrued Compensatory Time Off or General Leave to ensure that hours paid will be the same as would regularly be paid for the day.
- D. Except as provided for below in subparagraph D1, in December of each year, each regular and promotional probationary employee will be granted Advance Holiday Pay, a cash out of his/her Holiday credit for the following year in lieu of having time off. The employee must have General Leave accrued in an amount equivalent to the Holiday cash out requested to be eligible for full payment of the Advance Holiday Pay in January. In the event the employee does not have the required hours in his/her General Leave bank, pursuant to the City's leave report for Pay Period 25 of each year, the Advance Holiday Pay shall be made in two installments, fifty-four (54) hours in January (January – September Holidays) and fifty-four (54) hours in October (October – December Holidays) of each year.

In the event that an employee separates from service and has used and/or been paid for Holidays in excess of the pro-rata earned hours per month, the overage shall be deducted from his/her final check.

In the event an employee is on unpaid status immediately before or after the holiday, or is not otherwise eligible to receive a paid Holiday, and has received Advance Holiday Pay, the City shall reduce the employee's leave bank(s) by the amount of hours of any unearned Holiday previously paid on the payroll immediately following the Holiday (or as soon as the overpayment is discovered).

1. Exception: If at the time Advance Holiday Pay is being processed, the employee is on an unpaid medical leave of absence without a documented return to work date (within the next 30 days), the employee will not receive Advance Holiday Pay and will instead be paid for each Holiday as it occurs if the employee is in a paid status at the time the Holiday occurs.
- E. Newly hired probationary employees are not eligible for Advance Holiday Pay and will be paid for each Holiday as it occurs.
- F. The parties agree that Holiday Pay is additional compensation for employees who are normally required to work on an approved holiday because they work in positions that require scheduled staffing without regard to holidays and shall, to the extent legally permissible, be reported as special compensation pursuant to Title 2 CCR, Section 571(a)(5) and 571.1(b)(4).

Article 30. Bereavement Leave

The City will allow up to fifty (50) hours of paid leave for the purpose of Bereavement Leave in the event of a death in the employee's immediate family. For purposes of this section, "immediate family" shall be defined as including the spouse, registered domestic partner, mother, stepmother, father, stepfather, brother, step brother, sister, step sister, child, stepchild, grandparent, step grandparent, grandchild and step grandchild of the employee or the employee's spouse/registered domestic partner. An employee may use less than fifty (50) hours. Bereavement Leave is intended to allow time for an employee to mourn the loss of a loved one and/or to assist family members during a time of loss. In the event an extended absence or travel is necessary, the employee may request to use General Leave to supplement Bereavement Leave.

Article 31. Military Leave

Upon notice from the Association that a unit employee has been called to Active Duty, the City will, within 30 calendar days, place on the City Council Agenda a Resolution for consideration that would provide the affected employee with supplemental salary in the event his/her military pay and associated dollar stipends and extras is less than he/she would have earned in base pay if the employee had not been called to Active Duty.

CHAPTER 5 – WORKING CONDITIONS

Article 32. Attendance

- A. All bargaining unit employees shall be in attendance at work in accordance with the rules regarding hours of work, Holidays, and leaves.
- B. Any employee who is absent from duty shall report the reason for such absence to the department head or immediate supervisor prior to the absence as far in advance as possible and in no case later than two (2) hours before the beginning of the employee's scheduled work shift. Absences not reported in such manner may be considered absence without leave. A deduction of pay may be made for the duration of any absence without leave. Upon return to work, such absence shall be justified to the department head who shall consider the need for disciplinary action or to approve

the absence as unavoidable and allow the employee to make up the lost time or cover it with General Leave.

- C. Absence from work without approved leave and without reasonable cause for three (3) consecutive scheduled work days may be cause for immediate discharge.
- D. If an employee has a leave of absence without pay in excess of thirty (30) calendar days, continuous service shall be considered interrupted for purposes of advancement within a salary range. Absence with pay shall not be considered an interruption of an employee's continuous service and shall not be deducted in computing total city service time.

Article 33. Work Schedules

- A. Police Officers work schedules under Section 207(k) of the Fair Labor Standards Act (FLSA).
- B. Department work schedules include:
 - 1. The 4/10 work schedule for employees in Special Assignments. In each seven (7) calendar day period, the employee works four 10-hour days followed by three (3) consecutive days off.
 - 2. The 3/12.5 work schedule for employees in Patrol. In each seven (7) calendar day period, the employee works three 12.5 hour days and is followed by four (4) consecutive days off. During the 28 day work period, the employee must work one additional 10-hour shift.
- C. Continuation of the schedule is subject to needs of the department, provided that if the department desires to discontinue that work schedule, the employee will revert to the 9/80 work schedule or some other schedule upon mutual agreement of the department and employee.
- D. Department employees will select shifts as follows:
 - 1. The City is divided into two separate patrol areas – North and South.
 - 2. Available shifts (which are determined by the Department and are subject to change) will be designated by the Department by patrol area. Police Officers will select shifts in either the North or South area twice a year. Police Officers are limited to twenty four (24) consecutive months on any shift assignment (day shift, cover watch, or graveyard). Based on departmental needs, a Police Officer may be allowed to extend beyond the twenty four (24) consecutive month rotation.
 - 3. Based on department needs, shift assignments may be reserved for probationary Police Officers during the probationary period. The remaining shifts will be selected by patrol area by seniority.
 - 4. Field Training Officers will be given the opportunity to select shifts by seniority as a full-time Police Officer with Tustin PD. In the event the voluntary "by seniority" shift selection does not provide the necessary coverage, the Chief of Police, or designee, may assign Field

Training Officers to shifts that provide necessary coverage. When making mandatory shift assignments for Field Training Officers, management will make an effort to adhere to the shift preferences of Field Training Officers.

5. Bilingual Police Officers will be given the opportunity to select shifts by seniority. In the event the voluntary "by seniority" shift selection does not provide the necessary coverage, the Chief of Police, or designee, may assign Bilingual Police Officers to shifts that provide necessary coverage. When making mandatory shift assignments for Bilingual Police Officers, Management will make an effort to adhere to the shift preferences of Bilingual Police Officers.
 6. If a Police Officer assigned to a Special Assignment returns to patrol, at a time other than at shift selection, he/she will be assigned to a patrol area and shift based on the staffing needs of the department.
 7. If a Police Officer assigned to a Special Assignment returns to patrol, in conjunction with shift selection, he/she will be assigned to a patrol area but will participate in the shift selection process based on seniority.
 8. If at the time of shift signups a Police Officer is off work on a medical leave of absence without a documented return-to-work date from his/her primary treating physician, he/she will not be permitted to select a shift for the upcoming deployment period. However, if a Police Officer is off work on a medical leave of absence and has presented the City with a documented full duty return-to-work date that is no more than 60 days beyond the start of the upcoming deployment period, he/she will be permitted to select a shift at the time of shift signups.
- E. Employees assigned to special task forces or regional teams will work the hours that the team works.
- F. Employees may have their work schedule changed to accommodate training assignments which are eight (8) or more hours in duration.

Article 34. Shift Trades

Employees in the unit have the right to trade shifts with their colleagues at the same rank subject to the following conditions:

1. Both employees agree to the shift trade voluntarily.
2. A supervisor approves the shift trade. Supervisors will not unreasonably deny a trade. However, denials are not subject to being grieved.
3. The employee whose shift is worked gets credit for the shift. Thus, the employee whose shift was worked will record the time as time worked on his or her time sheet.

4. Payback of the traded shift will be the responsibility of the two employees who trade shifts and will not be monitored by the City. Traded shifts should fall in the same two week pay period. They must fall within the same 28 day work period. If an employee leaves the City having not paid back a shift, it shall be the responsibility of the two employees to work out any pay back.
5. If an employee agrees to trade shifts with another employee and then calls in sick and/or does not work the shift, the employee who agreed to work the shift shall have his/her General Leave deducted. For example, if Police Officer A agrees to work the shift for Police Officer B and prior to the shift, Police Officer A calls in sick and does not work the shift, Police Officer A's General Leave is deducted and Police Officer B gets credit for the shift.

Article 35. Rest Periods and Lunch Breaks

- A. All bargaining unit employees shall be entitled to a fifteen (15) minute rest period for each four (4) hours of their work shift. The scheduling of the rest breaks shall be the responsibility of the employee's supervisor.
- B. Employees receive a paid lunch break because they are required to be working or available to respond immediately to calls for service during their lunch time.

CHAPTER 6 – EMPLOYER / EMPLOYEE RELATIONS

Article 36. Employee Rights

As the recognized representative of the employees covered by this MOU, the City acknowledges and recognizes the following employee rights:

1. TPOA shall have access to and be provided with payroll deduction of dues, fees, and assessments without charge through the City's regular payroll system.
2. TPOA shall be afforded the use of department bulletin boards for the posting of notices, updates, meeting minutes and other material related to TPOA business.
3. TPOA shall be afforded the reasonable use of department copy machines and faxes and will reimburse the City for any material costs or toll fees for such use.
4. Upon notice and subject to availability, the City shall allow TPOA the use of City facilities including meeting rooms for TPOA membership, Board of Directors and committee meetings.
5. TPOA representatives shall be allowed reasonable paid release time for preparation for and attendance at meetings with management related to the meet and confer process and labor relations matters.
6. All bargaining unit members shall have the right to representation by TPOA in processing grievances and disciplinary appeals. Employees shall be afforded reasonable paid release time to meet with TPOA representatives for discussion and consultation on grievances and disciplinary appeals. If a grievance is filed (by either an employee or the Association) as

authorized by the City of Tustin Personnel Rules in Section 11, the employee or the Association shall file the grievance within thirty (30) days from the date of the act or omission which gave rise to the grievance. The grievance procedure is the exclusive method for alleging a violation of a provision of this MOU. The employee may assert that the alleged violation has been occurring for more than thirty (30) days.

7. TPOA shall have the exclusive right on behalf of the bargaining unit to meet and confer with management over matters of wages, benefits, hours, and terms and conditions of employment pursuant to State and Federal laws.
8. All bargaining unit members shall have the right to join and participate in the activities of TPOA free from interference, intimidation, coercion, or discrimination.
9. TPOA shall have the right to distribute a reasonable amount of association information and newsletters at the job site.
10. TPOA representatives shall have the right to reasonable use of department telephones and e-mail for the discussion of TPOA business.
11. TPOA representatives and consultants shall have the right of reasonable access to the workplace.
12. TPOA representatives may be granted General Leave or other leave for labor relations training.
13. All other rights and privileges currently in effect or which may be enacted in the future pursuant to State or Federal law.

Article 37. Third Party Advisory Process for Disciplinary Appeals

- A. Disciplinary actions, which may move beyond the department head's decision, include the actions of termination, suspension, reduction of salary, and demotion. The "third party" advisory process is the step between the department head's action and the City Manager's final decision. In the department head's notice of final disciplinary action (which should be served by personal delivery) shall be a statement which clearly informs the employee that he/she has the right, within ten (10) working days after receipt of the response, to request the next level of appeal. The day the employee receives the department head's final notice shall not count as one of the ten (10) days.
- B. The employee's request for the next level of appeal must be addressed to the Director of Human Resources and received in the Human Resources Department so that same is date stamped by the Human Resources Department with the ten (10) day period.
- C. If, within the ten (10) day appeal period, the employee involved does not file said appeal, unless good cause for the failure is shown, the action of the department head shall be considered conclusive and shall take effect as prescribed. If within the ten (10) day appeal period, the employee involved files such notice of appeal by giving written notice of appeal to the Director of Human Resources, an appeal hearing shall be established as follows:

1. If a single third party hearing officer cannot be agreed upon by the Director of Human Resources and the employee's representative (or employee alone if unrepresented), the State Mediation and Conciliation Service shall be requested to submit a list of seven (7) persons qualified to act as arbiters to the City and employee. Within ten (10) days following receipt of the list of arbiters, the parties shall meet to select the arbiter. The parties shall alternately strike one (1) name from the list of arbiters (the right to strike the first name to be determined by lot) until one (1) name remains, and that person shall be the arbiter.
2. Where practicable, the date for the hearing shall not be less than twenty (20) days, nor more than sixty (60) days, from the date of the filing of the appeal with the Director of Human Resources. The parties may stipulate to a longer or shorter period of time in which to hear the appeal. All interested parties shall be notified in writing of the date, time, and place of hearing.
3. All hearings shall be private, provided, however, that the arbiter shall, at the request of the employee, open the hearing to the public.
4. Subpoenas and subpoenas *duces tecum* pertaining to a hearing shall be issued at the request of either party, not less than five (5) working days, prior to the commencement of such hearing. After the commencement of such hearing, subpoenas shall be issued only at the discretion of the arbiter.
5. The hearing need not be conducted in accordance with technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which reasonable persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rules, which might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil and criminal actions, and irrelevant and unduly repetitious evidence shall be excluded. The arbiter shall not be bound by technical rules of evidence. The arbiter shall rule on the admission or exclusion of evidence.
6. Each party shall have these rights: to be represented by legal counsel or other person of his/her choice; to call and examine witnesses; to introduce evidence; to cross-examine opposing witnesses or any matter relevant to the issues even though that matter was not covered in the direct examination; to impeach any witness regardless of which party first called him/her to testify; and to rebut the evidence against him/her. If the respondent does not testify in his/her own behalf, he/she may be called and examined as if under cross-examination. Oral evidence shall be taken only on oath or affirmation. A court reporter will be engaged to record the hearing.
7. The hearing shall proceed in the following order, unless the arbiter, for special reason, otherwise directs:
 - a. The party imposing discipline shall be permitted to make an opening statement.

- b. The appealing party shall then be permitted to make an opening statement.
 - c. The party imposing disciplinary action shall produce the evidence on his/her part; the City bears the burden of proof and burden of producing evidence.
 - d. The party appealing from such disciplinary action may then open his/her defense and offer his/her evidence in support thereof; the employee bears the burden of proof and the burden of producing evidence for any affirmative defenses asserted.
 - e. The parties may then, in order, respectively offer rebutting evidence only, unless the arbiter for good reason permits them to offer evidence upon their original case.
 - f. Closing arguments shall be permitted and written briefs may be permitted at the discretion of the arbiter.
8. The arbiter shall determine relevancy, weight, and credibility of testimony and evidence. He/she shall base his/her findings on the preponderance of evidence. During the examination of a witness, all other witnesses, except the parties, shall be excluded from the hearing unless the arbiter, in his/her discretion, for good cause, otherwise directs. No still photographs, moving pictures, or television pictures shall be taken in the hearing chamber during a hearing. The arbiter, prior to or during a hearing, may grant a continuance for any reasons he/she believes to be important to reaching a fair and proper decision. The arbiter shall render his/her judgment as soon after the conclusion of the hearing as possible and in no event later than thirty (30) days after conducting a hearing. His/her decision shall set forth findings of fact and conclusions. The opinion shall be advisory only.
9. The arbiter may recommend sustaining or rejecting any or all of the charges filed against the employee. He/she may recommend sustaining, rejecting, or modifying the disciplinary action invoked against the employee. He/she may not recommend for discipline more severe than that invoked by the department head.

The arbiter's opinion and recommendation shall be filed with the City Manager, with a copy sent to the charged employee, and the Director of Human Resources and shall set forth his/her findings and recommendations. If it is a dismissal hearing and a dismissal is not the arbiter's recommendation, the opinion shall set forth the recommended date the employee is recommended to be reinstated and/or other recommended action. The reinstatement date, if appropriate, may be any time on or after the date of disciplinary action.

10. Within thirty (30) days of the receipt of the arbiter's findings and recommendations, and transcript, whichever date is later, the City Manager shall adopt, amend, modify or reject the recommended findings, conclusions, and/or opinions of the arbiter. Prior to making a decision, which modifies or rejects the recommendation of the arbiter, the City Manager shall order and read the transcript of the Third Party Advisory Process. Prior to making a decision which supports the arbiter, the City Manager may order and read the subject transcript, at his/her option, allow limited oral arguments and/or may request and review written statements from either side. The decision of the City Manager shall be final and conclusive. Copies of the City

Manager's decision, including the arbiter's recommendations(s) shall be filed where appropriate, including the employee's personnel file, unless no discipline is upheld by the City Manager. Each party shall bear equally the cost of facilities, fees and expenses of the arbiter, including the court reporter and transcripts. If the City Manager orders a transcript for his/her review, the City shall bear the cost of providing the transcript. Each party shall bear its own witness and attorney fees. If either party unilaterally cancels or postpones a scheduled arbitration, thereby resulting in a fee charged by the arbiter or court reporter, then the party responsible for the cancellation or postponement shall be solely responsible for the payment of that fee. This process shall not apply to mutual settlements by the parties, which result in an arbitration fee.

11. In the case of suspension, demotion, reduction in salary, or dismissal prescribed by the City Manager, the time of such suspension, demotion or dismissal shall be effective from the first day after such delivery of said decision or shall relate back to be effective as of the date the employee was suspended from duty pending hearing before and decision by the City Manager, whichever is applicable. If discipline imposed resulted in loss of pay, the pay loss shall be restored to the employee based on the number of standard work hours lost computed at his/her then base hourly rate. The provision of Section 1094.6 of the Code of Civil Procedure shall be applicable to proceedings under this Article.

Article 38. Rules of Evidence and Procedure for Employees Removed from Special Assignments

Any Police Officer removed from a Specialty Pay position for non-disciplinary reasons may file a written appeal with the City Manager within 10 days of receiving notice of removal, in accordance with the following:

1. Hearings shall be conducted by the City Manager or his/ her designee.
2. The question to be decided is whether the City abused its discretion in removing the Police Officer from the Specialty Pay position.
3. Formal rules of evidence and procedure that may be applicable in a court of law shall not apply to these hearings. Evidence, both oral and documentary, shall be admissible if it is the type of evidence that responsible persons are accustomed to rely on in the conduct of serious affairs, regardless of the existence of any judicial rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be admitted for the purpose of supplementing or explaining any direct evidence but shall not be sufficient by itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be applicable to the same extent that they are recognized in civil actions.
4. Each party shall have the right to call and examine witnesses, to introduce exhibits and to cross-examine opposing witnesses. If the employee does not testify his or her own behalf, the employee may be called and examined as if under cross-examination.
5. Testimony shall be recorded by means of either a tape recording or certified court reporter.
6. Witness shall be sworn unless both parties stipulate otherwise.

7. Written declarations made under penalty of perjury shall be admissible, provided, however, that declarants shall be made available for testimony at the request of the party against whom the declaration is offered.
8. The Police Officer appealing the removal from the Specialty Pay position has the burden of proof. The standard of proof is a preponderance of the evidence. The City shall present its case first. During the presentation of the City's case, the officer shall have the right to cross-examine any witness called to testify by the City. During the presentation of the officer's case, the City shall have the right to cross-examine any witness called by the employee to testify.
9. Both parties shall have the right to counsel. Employee may be represented by the applicable employee organization representative.
10. Both parties shall have the right to present an opening argument prior to the presentation of any evidence and a closing argument after the presentation of all evidence.
11. The City Manager, or his/her designee, shall decide all questions of procedure and evidence.
12. The City Manager, or his/her designee, shall issue a written decision within 30 days of 1) the conclusion of the hearing, or 2) the receipt of post-hearing briefs if such briefs are requested by the City Manager or his/her designee.
13. The decision of the City Manager shall be final and binding. If the City Manager chooses to designate a hearing officer, that hearing officer will make a recommendation based on written findings to the City Manager, whose decision shall be final and binding.
14. Any objection to the City Manager, or his/her designee, on the grounds of bias, must be made in writing, stating the reasons therefore, by delivering of the writing to the City Manager no later than five (5) days prior to the date of the hearing.

Article 39. Performance Evaluations

An employee may not appeal or grieve a performance evaluation unless said evaluation results in the denial of a merit increase. Nothing herein shall serve to restrict an employee from having a written rebuttal attached to a performance evaluation with which the employee disagrees.

Article 40. No Strike / Job Action

- A. - B. The minimum qualifications for each classification in the Career Officer Program are as follows:

qualifications are met, the Police Chief will authorize the Professional Standards Unit to generate a Personnel Action Form to initiate the reclassification.

- D. The effective date of the reclassification is the beginning of the pay period after the Human Resources Department receives and certifies the employee has met all of the eligibility requirements. Upon reclassification, the employee will be placed at the same salary step as he/she is currently (i.e. upon reclassification, a Police Officer at Step F will be placed at Senior Officer I Step F). A reclassified employee will not be required to serve a new probationary period and the employee's dates for performance evaluations and merit increases will remain on the same schedule.
