# Veterans Memorial Paver Program FAQs

- **Who qualifies for the paver program?**

The Veteran being honored must have served in one of the five (5) branches of the US military (Army, Navy, Air Force, Marine Corps, or Coast Guard). Proof of military service is required.

- **What is acceptable proof of military service?**

A Certificate of Release or Discharge from Active Duty (DD Form 214) is preferred. If the individual being honored has passed away and the nominating party does not have their DD Form 214, please contact the Tustin Parks & Recreation Department to discuss other options.

- **Who is eligible to apply for a paver?**

The individual being recognized or the party submitting the application must live, work, or go to school in Tustin, have lived, worked, or gone to school in Tustin, or have served at the former MCAS Tustin. Proof of this residency must be provided.

- **What is acceptable proof of residency?**

Acceptable proof of residency includes a California Driver's License with a current Tustin address or a utility bill matching the name of the submitter.

- **What information should be included in my application?**

Please provide the full name, rank, branch and years of services or era served of the Veteran being honored as well as contact information for the party submitting the application.

In addition to the application, please include a photo or two (in image form) and an additional page of no more than 1300 characters about your Veteran for inclusion in the informational kiosk at the memorial. Examples of information to include in your document can be stories of time served, military honors, career after military service, family members (ex: spouse, children, grandchildren), hobbies, and other accomplishments. The City of Tustin reserves the right to remove any content from the 1300 characters narrative about the individual deemed inappropriate for any reason.

- **When will my paver be engraved?**

Bricks will be engraved twice a year, prior to Memorial Day and Veterans Day. Specific application deadlines will be set each year for both installations.

- **How big is each paver?**

All pavers are 4" x 8".
