BUILDING OUR FUTURE
HONORING OUR PAST

COMMUNITY WORKSHOP

Historic Resources Survey Update

PLEASE JOIN THE CITY OF TUSTIN COMMUNITY DEVELOPMENT DEPARTMENT LEARN AND SHARE SESSION

The Community Development Department has commenced an update of Tustin's historic resources surveys, conducted in 1990 and 2003. The purpose of the survey update is to record and update information on potential historic resources in Tustin. It will update information on the 400+ properties identified in earlier surveys as places of social, historical and architectural significance. Properties constructed through 1976 will also be considered. No properties will receive formal historic designation as part of the survey.

The workshop will provide an overview of the survey process to date and goals and allow opportunity for members of the community to provide input, provide historic information related to specific properties or topics, and to ask questions about the project.

DATE: October 13, 2020

TIME: 5:00 P.M.

HOW TO PARTICIPATE:

The public may observe the workshop via the City's Granicus service at:
<https://www.tustinca.org/282/Meetings-Agendas>

If you wish to provide comments, proceed to the SpeakUp comment system:

- To submit an e-comment prior to commencement of the workshop go to:
<https://tustin.granicusideas.com/meetings?scope=upcoming>.
- To submit an e-comment during the workshop, go to:
<https://tustin.granicusideas.com/meetings?scope=past>.

The public is encouraged to submit comments and input by using this [Form](#).

You can also submit comments and input directly to:

Elaine Dove, AICP, Senior Planner
edove@tustinca.org or (714) 573-3136

For more information regarding survey efforts, please visit the city's website at:
