Program Guidelines

Program Overview

About the Program

As part of the Tustin Cares program, the City of Tustin has created a Non-Profit Recovery Grant Program, which will provide funding to non-profits needing financial assistance in overcoming the temporary loss of revenue due to the COVID-19 outbreak. The program is based on the availability of funds, program guidelines and submission of all required information and supporting documentation. Non-profits may be eligible to receive up to fifteen thousand dollars (\$15,000). The grant may be used for working capital to cover the day-to-day operating expenses such as rent/lease payments, mortgage payments, utility expenses, payroll and benefits costs, Personal Protection Equipment (PPE) or other similar expenses that occur in the ordinary course of operations. The non-profit may also utilize the grant for direct service provision to the community or participants it serves consistent with the non-profit's mission, with priority given to activities that prepare, prevent, and/or respond to COVID-19.

Funding Availability

In May 2021 the U.S. Department of Treasury allocated funds from the American Rescue Plan Act of 2021 (ARPA) to the City of Tustin for COVID-19 response, relief and reinvestment. The City is allocating up to one million dollars (\$1,000,000) for the Tustin Cares Non-Profit Recovery Grant Program. These funds are to be used to mitigate financial hardship caused by declines in revenues such as the loss of donations or fundraising revenue due to the COVID-19 public health emergency.

The City's Program Partner, the Tustin Community Foundation (TCF), will be responsible for reviewing grant applications for completeness and to determine whether the non-profit meets the eligibility guidelines. TCF will select and recommend grant recipients and determine grant award amounts. Non-profits may be eligible to receive up to \$15,000.

The City's Finance Department will be responsible for oversight of the Tustin Cares Non-Profit Recovery Grant Program and disbursement of funds. City staff is obligated to fulfill the terms and conditions of the funds as established by the Tustin City Council, these program guidelines, and Federal, State, and local rules and regulations.
