

# JOIN US FOR OUR 2022 FLU SHOT CLINICS

## INFORMATION:

An annual seasonal flu vaccine is the best way to protect against the flu. This year, the City is partnering with Edinger Urgent Care to provide **free** flu shots to employees.

As an incentive to receive your annual flu vaccine, we will be giving each employee that receives a flu shot a **\$50 Target gift card\***. In order to be eligible to receive a gift card, you may get your flu shot free at one of our onsite clinics, or you may obtain one through your own medical provider or an alternate provider (CVS, Walgreens, et cetera). If you obtain your flu shot through your own medical provider or an alternate provider, you will need to submit proof that you received your flu vaccine via [e-mail to Human Resources](#).

\*Per IRS regulations, the value of the gift card will be reported as taxable income.

## WHEN & WHERE:

- October 11 from 3-5PM @ the Library
- October 12 from 2-4PM @ the Yard
