

Tustin Public Art Commission

Terms and Costs:

- Donors may work with a graphic designer or artist of their choice for the design of the vinyl wrap, but the installation must be completed by a pre-approved vinyl wrap vendor.
- The cost to wrap a traffic signal cabinet will vary depending on the complexity of the design, the size of the traffic signal cabinet, and the vendor chosen. The cost may range between \$1,500 and \$3,000.
- Regular maintenance such as cleaning or removal of graffiti will be the responsibility of the City of Tustin.
- More details on the policies, procedures, and specifications of the Traffic Signal Cabinet Public Art Program can be found at www.tustinca.org/publicart.

About the City's Public Art Commission

Established in 2018, the Public Art Commission (PAC) is the formal body responsible for implementing the City of Tustin's Public Art program. Responsibilities include planning and commissioning public art, evaluating artwork proposed to be gifted to the City of Tustin and advising the City Council on all public art related issues. In so doing, the commission is also responsible for seeking funds and donors for public art projects and building partnerships and collaborations with non-profit organizations.

PLEASE GET IN TOUCH!

Public Art Commission meetings are held on the **3rd Wednesday of every month at 4:00pm** in the City Council Chambers
300 Centennial Way, Tustin 92780

TRAFFIC SIGNAL CABINET PUBLIC ART PROGRAM

The City of Tustin's Public Art Commission is seeking partners for a new Public Art program. This program will provide members of the Tustin community with an opportunity to promote their cause while simultaneously contributing to the beautification of the city.

How the Program Works

- Individuals, organizations, and businesses are invited to donate a public art project to the City of Tustin by having an original vinyl wrap designed and installed on a traffic signal cabinet.
- The Public Art Commission is happy to connect donors to artists and/or vendors who have worked with the commission in the past.
- The City of Tustin will provide a pre-approved list of traffic signal cabinets from which the donor may select a preferred location.
- Designs must be approved by the Public Art Commission and the Tustin City Council. This process can take up to three (3) months.
- Donor will be recognized for their support of public art through the Commission's social and print media.
